Minutes**

4. Declaration of Interest

None declared at this time.

5. Delegation

a. Sergeant Jasper Dhillon

Sergeant Dhillon read the May RCMP Report to Council.

May was a very busy month which included Frolics and people coming from other communities. Alcohol related incidences were very high.

To note, there are an increasing number of calls relating to mental health being received and especially those causing harm or thinking about suicide. These calls are referred to the Mental Health Department as per the Mental Health Act.

The youth engagement project, Boys Club is very popular but it needs a lot more adult assistance. JP is doing a lot on his own and would appreciate assistance if anyone can help.

6. Old Business

a. Approvals for Research Licenses

- i. Joint Task Force- 4 people -late August/early September*
- ii. Fisheries and Oceans – August 10th to September 15th*
- iii. Review of Councils feeling on research permits and visitors.*

The CPHO rules are in place so should not stop anyone from coming. Council is comfortable with these groups coming to the community as long as they practice due diligence. There are reduced numbers of cases in Iqaluit and Yellowknife and more people vaccinated in the community and vaccinated in the south.

i. Continuing Care Centre

Discussion took place on the recent decision by a vote in the Legislative Assembly to not approve the funding requested for planning money for the Continuing Care Centre for Cambridge Bay. 3 members of the Kitikmeot Region voted to defer the funding which will set the project back a few years.

Council instructed Administration to write a letter to the Premier as we have been working on this project for a while and have designated land for the centre and have the associated resources for a facility. As our community and the region expands, it is better to have one facility that can attract the specialist that it will require as our regional population ages and requires special care.
